

Shipment Methods

A Wide Range Of Options

Our will-call counter is open Monday through Friday, 7:00 am to 5:00 pm.

Our preferred carrier for packages less than 70 pounds is UPS. They offer a wide range of delivery options including 3-day Select, 2nd Day Air, Next Day Air, Next Day Air-Early AM and even Saturday Delivery. Actual shipping costs are added to the customer's invoice unless the order is quoted FFA.

We contract with a number of LTL truck carriers to take shipments of all sizes. We can drop ship directly to your job site if you prefer.

We have extensive experience in export packing and preparation. Starfire can coordinate with your forwarder or arrange the details for air, land or sea shipments. Please see our export services section for more information.
